STRINGS

LEVEL UP YOUR JAVASCRIPT

BY CODY BARRUS & RYAN EWING

ES2015 INTRODUCED 8 NEW STRING METHODS!

> String.prototype.startsWith

> String.prototype.endsWith

> String.prototype.includes

> String.prototype.repeat

```
> String.prototype[Symbol.iterator]*
    > String.prototype.codePointAt*
  > String.prototype.fromCodePoint*
    > String.prototype.normalize*
```

String.prototype.startsWith

```javascript
'bond,james bond'.indexOf('bond') === 0
// true

'bond,james bond'.startsWith('bond')
// true

'bond,james bond'.indexOf('bond', 11) === 11
// true

'bond,james bond'.startsWith('bond', 11)
// true
```

String.prototype.endsWith

> **SIMPLIFIES SPECIFIC USE CASES OF** indexOf

```javascript
'bond,james bond'.endsWith('james bond')
// true

'bond,james bond'.endsWith('bond,james', 10)
// true
```

String.prototype.includes

> **SIMPLIFIES SPECIFIC USE CASES OF** indexOf

```javascript
'bond,james bond'.indexOf('d,j') !== -1
// true

'bond,james bond'.includes('d,j')
// true

'bond,james bond'.includes('d,j', 10)
// false
```

String.prototype.repeat

```javascript
'dun'.repeat(0)
// ''

'dun'.repeat(8)
// 'dundundundundundundundun'

'dun'.repeat('8')
// 'dundundundundundundundun'
```

String.prototype.repeat CNT'D

```javascript
'dun'.repeat(8.4)
// 'dundundundundundundundun' // floored to 8

'dun'.repeat(-1)
// RangeError

'dun'.repeat('don')
// ''
```
